

# Black Rock - Riverside Garden Walk

*A subcommittee of the Black Rock-Riverside Good Neighbor Planning Alliance*

**GNPA, P.O. Box 382, Buffalo, NY 14207**

---

The first annual Garden Walk will be taking place Saturday August 6 and Sunday August 7, 2005 from 10:00am to 4:00pm rain or shine. We are looking for garden participants and sponsors for the event to ensure its success.

Black Rock Riverside is an outstanding community rich in heritage and deep in pride. The garden walk is meant to bring people from outside the neighborhood into our community to view all the wonderful hidden treasures we have to offer. Some treasures are an Olmsted Park, a spectacular view of the waterfront, the bike path, wonderful gardens, and people who have pride in their neighborhood just to name a few.

We are looking for residents and businesses to list their gardens in our brochure. There is no cost to list a garden and all types of gardens are welcome. Our goal is to have 100 gardens participating. We are also looking for sponsors to place an ad in our brochure. The committee intends to circulate 2,000 brochures throughout Erie County.

We hope that you will take interest in this event, which will highlight the wonders of our neighborhood!
